AIMS AND SCOPE

Archives of Basic and Clinical Research (Arch Basic Clin Res) is the scientific, peer reviewed, open access journal of the Erzincan Binali Yıldırım University School of Medicine. The journal is a triannual publication, published in January, May, and September. The journal's publication language is English.

Archives of Basic and Clinical Research aims to contribute to the literature by publishing original clinical and experimental research articles at the highest scientific quality in all fields of medicine. The journal also publishes rare case reports, reviews, letters to the editor, and images of interest. The target audience of the journal includes physicians, researchers, and healthcare professionals who are interested or working in all fields of medicine.

The editorial and publication processes of the journal are shaped in accordance with the guidelines of the International Committee of Medical Journal Editors (ICMJE), World Association of Medical Editors (WAME), Council of Science Editors (CSE), Committee on Publication Ethics (COPE), European Association of Science Editors (EASE), and National Information Standards Organization (NISO). The journal is in conformity with the Principles of Transparency and Best Practice in Scholarly Publishing (doaj.org/bestpractice).

Processing and publication are free of charge with the journal. No fees are requested from the authors at any point throughout the evaluation and publication process. All manuscripts must be submitted via the online submission system, which is available at www.abcresearch.net. The journal guidelines, technical information, and the required forms are available on the journal's web page.

Archives of Basic and Clinical Research currently indexed in DOAJ, EBSCO, TUBITAK ULAKBIM TR Index and China National Knowledge Infrastructure (CNKI).

All expenses of the journal are covered by the Erzincan Binali Yıldırım University School of Medicine. Potential advertisers should contact the Editorial Office. Advertisement images are published only upon the Editor-in-Chief's approval.

Statements or opinions expressed in the manuscripts published in the journal reflect the views of the author(s) and not the opinions of the Erzincan Binali Yıldırım University School of Medicine, editors, editorial board, and/or publisher; the editors, editorial board, and publisher disclaim any responsibility or liability for such materials.

All published content is available online, free of charge at www.abcresearch.net. Printed copies of the journal are sent to the corresponding authors of the published articles, and the rest of the copies are sent to Erzincan Binali Yıldırım University School of Medicine.

You can find the current version of the Instructions to Authors at <https://abcresearch.net/en/instructions-to-authors-105>

Open Access Statement

Archives of Basic and Clinical Research is an open access publication, and the journal's publication model is based on Budapest Open Access Initiative (BOAI) declaration. All published content is available online, free of charge at www.abcresearch.net. Authors retain the copyright of their published work in the Archives of Basic and Clinical Research. The journal's content is licensed under a Creative Commons Attribution-NonCommercial (CC BY-NC) 4.0 International License which permits third parties to share and adapt the content for non-commercial purposes by giving the appropriate credit to the original work.
